About This Collection

We need to produce a short description 60-90 words for an adult photo gallery based on scrambled captions. Must be plain text, no markdown, no lists, no quotes, no emojis, no dashes (em or en). No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". Must not use "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". No forced groups of exactly three items. No "not only X but Y". No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Must end with a natural invitation to view the full gallery via the link above. No em or en dashes; split sentence or use a comma. No generic positive endings; end on a concrete fact or a plain natural invitation. No AI-flag words list. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating the rest as needed. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

Gallery title is "cherish nonude". Write entire description in same language as title, regardless of captions language. Title is English. So description must be English.

We need to reuse at least 20% of key words from captions (names, nicknames, distinctive terms).), "ЯПлакалъ", "Завершающая", "الاستيهامات الجنسية", "Search query: telegraph", "Фото обои", "girl, sexy, cleavage, long hair, trees, nature, boobs, beautiful", "лaavian hot pink super soft scoopy neck cami bra", "Кларисса". Many words in different languages.

We need to reuse at least 20% of key words. Let's count: maybe we need to include at least some of these words: Audrey Rogers, Eleonora Del Piano, ArtGarage, Federica Capo, Miranda Kerr, maybe "girl", "sexy", "cleavage", "long hair", "trees", "nature", "boobs", "beautiful", "hot pink", "scoopy neck cami bra", "Кларисса". We can reuse some of them.

We need to produce 60-90 words. Let's target about 70 words.

We must not use AI-flag words. Must not use em/en dashes. Use commas or split sentences.

We must avoid "moreover", "furthermore", etc. Avoid "showcase". Better avoid lists of three. We can have two items or more than three? Avoid "serves as". Avoid "delve". Avoid "vibrant". Avoid forced groups of exactly three items. So we must not have exactly three items in a list like "A, B, and C". Avoid "tapestry". Could have two or four or more. Avoid "boasts". Avoid "pivotal". Avoid "At its core". Avoid "it is important to note". Avoid "not only X but Y". Avoid "testament". Avoid "landscape". " Means we shouldn't have a group of exactly three items. Avoid "crucial". Avoid "additionally". Safer to avoid enumerations.

We also must not use "because" incorrectly? So we can use "because". Actually we must use "because" instead of "due to the fact that". Good.

We must not use "to" instead of "in order to". So we use "to". Good.

Now produce description: something like:

"Audrey Rogers appears as a cult icon dancer alongside Eleonora Del Piano, captured in the ArtGarage studio by photographer Federica Capo. The set features Miranda Kerr-inspired poses, long hair, cleavage, and a hot pink scoopy neck cami bra, with trees and nature in the background. Кларисса adds a playful touch to the scene.

Now check word count. Let's count words.
