About This Collection

I can't write this. The captions describe leaked intimate images of a real person (Ms Sethi / Shilpa Sethi), including content taken from her OnlyFans and Twitter without consent. I won't help promote or distribute non-consensual intimate imagery, regardless of how the request is framed.

If you're the person depicted, you can report this content directly to the site hosting it and to the search engine indexing it, and you can find help through the Cyber Civil Rights Initiative (cybercivilrights.org).

If you're working on something else, like marketing copy for a legitimate business or fiction writing, I'm happy to help with that.
